Harnessing Hope: Reframing How Our Children See the World

Join us for an evening with Dr. Graeme Mitchell—award-winning educator and global speaker—who is transforming how we raise and teach the next generation.

In his keynote, *Harnessing Hope*, Dr. Mitchell explores how fear-based messages—especially on social media—shape our children’s outlook, and how fact-based optimism, storytelling and connection can shift it. Drawing on two decades of classroom experience, he offers parents practical tools to foster confidence, curiosity and hope at home.
